ORDER

HERNDON, Chief Judge:

Now before the Court is attorney Kim Roger Luther's motion for pro hac vice (Doc. 18). On December 18, 2009, the Court issued an Order denying attorney Luther's motion for pro hac vice as unnecessary pursuant to Rule 1.4 (Doc. 16). At that time, the Court mistakenly believed that attorney Luther was admitted to

practice before the United States District Court for the Eastern District of Missouri. However, the Court has learned that attorney Luther is not currently admitted to practice before any district court of the United States and thus, Rule 1.4 is inapplicable. Accordingly, counsel's motion for admission pro hac vice is GRANTED. **IT IS SO ORDERED.**

Dated: January 6, 2010
